### First Fészekrakó loan contract signed

**Budapest, 23<sup>rd</sup> February 2005 – The first loan contract within the scope of Fészekrakó [Nest-making] Program was signed last week. One of Erste Bank's customers was the first nest-maker, purchasing a house.**

The couple, living near Győr, have taken out a Fészekrakó housing loan for 35 years. Being the first customer, Erste Bank did not charge them the loan assessment fee. Retail Business Executive of the financial institution Bernadett Tátrai says there has been a very keen interest for Fészekrakó Program, with loan advisors giving advice to 50 customers a day in the bank's major branch offices. The call centre of the bank receives 400 related phone calls a day, four times more than prior to the Program.
